

# Doctor - Have you been eHospital trained?

**All clinical and patient administrative staff, including all doctors, need to be trained before the eHospital go live**

**Time is running out,  
please act NOW!**

**...and book your training**

**More information and booking:**

See eHospital Times or

<http://my-ehospital.org/training-and-education/electronic-patient-record-training>

Speak to your specialty lead/Clinical Director if you are unsure when you should be booking for
